

Toni Grant DNP, RN, ACNP-BC, ACCNS-BC

Toni is the Chief Nursing Officer at Campus Health Center, an academic, nurse-managed clinic that is owned and operated by Nursing Practice Corporation (NPC), the faculty practice plan of the College of Nursing (CON) at Wayne State University (WSU). She has been a nursing leader for over 25 years at the hospital and corporate levels. In her current role, Dr. Grant oversees the operations of all the clinics managed by NPC.

Her education includes a Bachelor of Science and Postdoctoral certifications from the University of Michigan-Ann Arbor and a Master

of Science and Doctor of Nursing Practice-Organization and Systems/Health Delivery from Wayne State University. With her passion for nursing, she has focused her career on nursing leadership, nursing excellence in healthcare organizations, promoting nurses' professional development, and fostering healthy work environments for nurses. Dr. Grant is a proven leader, who has served on several committees, and organizations nationwide.
